Helpful Words and Phrases

POINTS:

work-life balance

+ 2 days off every week isn't long enough to do chores, run errands and leave time for personal interests and hobbies.

- Workers already have evenings and a 2 day weekend to relax, so I don't think they need more than that.

family

+ Having 3 days off every week enables you to spend more time with your family.

- Many workers don't have a family of their own yet, even though they could use an extra day off to visit parents, it isn't necessary to do every week.

profit

+ Thanks to the extra relaxation time, all the employees will work harder and so company's profits will likely increase.

- If the employees are working less, then the company's profits will likely decrease, too.
