

Attendance card

Name _____

The card features a winding path of 10 empty boxes, each connected to the next by a dotted line. The path starts at a watering can labeled "Start" and ends at a blue flower labeled "Goal".

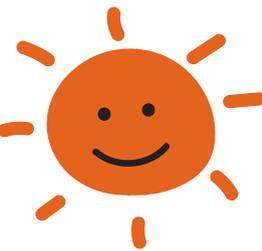

Along the path, there are several illustrations: a snail, a ladybug, a small plant, a daisy, an ant, a mole, and a butterfly. There are also several colored circles (blue, purple, pink) scattered around the path.

Four boxes along the path contain the following text:

- Box 3: 5 more
- Box 6: Good Lucksv
- Box 8: keep going!
- Box 10: 10 more

The final box, labeled "Goal", is a blue flower with a yellow center and three white stars.

Attendance card

Name _____

The path starts at a watering can labeled "Start" and ends at a purple flower labeled "Goal". The path is marked with a series of colored boxes connected by dotted lines. Milestones along the path include:

- A box labeled "5 more" with a snail illustration.
- A box labeled "1 more" with a butterfly illustration.
- A box labeled "10 more" with a mole illustration.

Other elements on the path include a ladybug, an ant, and various flowers and plants. The text "Good Lucksv" and "keep going!" is written along the path.

Attendance card

Name _____

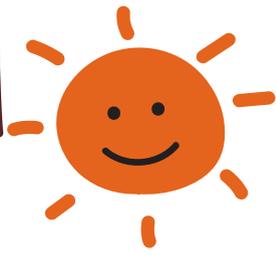

The card features a winding path of ten empty boxes, each connected to the next by a dotted line. The path starts at a brown pot labeled "Start" and ends at a pink flower labeled "Goal".

Along the path, there are various illustrations: a green watering can, a snail, a ladybug, a small green seedling, a black ant, a mole, and a yellow butterfly. There are also several colorful circles (blue, purple, pink) scattered around the path.

Text boxes along the path include:

- "5 more" (light blue box)
- "Good Lucksv" (handwritten text)
- "1 more" (pink box)
- "keep going!" (handwritten text)
- "10 more" (purple box)

Attendance card
