1. How do you feel about Halloween?
2. Do you believe any monsters, such as ghosts or vampires, exist?
3. If all the Halloween monsters actually existed, which would be the most dangerous?
4. Do you see the appeal to being scared for amusement?
5. Have you ever played a prank on anyone?
6. If you were a ghost, who or where would you haunt?
7. What supposedly happens when there is a full moon?
8. What do you think about horror movies? How do foreign and Japanese scary movies compare?
9. In place of confectionery, is there any thing you would prefer to receive?
10. American culture (Halloween, food, language, etc) is very prominent in Japan.
What do you think about that?
