1. What does SDG stand for?
2. How many goals are there?
3. What are those objectives?
4. What can we do to stamp out poverty?
5. What can we do to avoid causing further harm to our planet?
6. What can we do to ensure that all people enjoy peace and prosperity?
7. When are we striving to accomplish the goals?
8. Why is it essential to meet that deadline?
9. We have been aware of the issues surrounding unsustainable development for many years. Why do you think it's taken so long for us to get serious about dealing with these problems?
10. "Money is the root of all evil" is a well known English phrase. Do you think if money and capitalism had not been invented, the world would be in a better condition?
