1. What do your veins and arteries do?
2. Would you like a tail? Why/why not?
3. Which is your most vital organ? Why?
4. Which is your most distinguishing feature?
5. Are you right or left-handed? Why are most people not good with both hands?
6. Which body parts do you find ticklish?
7. Do you have a sweet tooth? If so, what do you often like to indulge in eating?
8. What part of school life do you find a pain in the neck?
9. What do you think about big chins?
10. If you could grow an additional body part, which would you pick and why?
