1. Is your house immaculate?

2. Which room can be cluttered on occasion?

3. Do you regularly polish anything until it's squeaky clean and shiny?

4. What's your least favorite cleaning task?

5. How do you get rid of stubborn stains on your clothes?

6. If you were to hire a cleaner for your house, what hourly wage do you think they should receive and why?

7. If you found members of your community cleaning a filthy part of your neighborhood, would you get stuck in or leave them to it?

8. What are your feelings towards hygiene and germs?

9. If you accidentally let go of some delicious food and it fell on the floor of your kitchen, what would you do with it?

10. In Japan, cleaning is often considered to be `women's work`. However, do you think men can be equally as proficient at cleaning and with a vacuum cleaner etc?
