1. What comes to mind when you hear the word “time”?
2. Did you find it easy to learn how to tell the time?
3. Are you a punctual or a tardy person?
4. Do you make a schedule to manage your time? Why?
5. Does it bother you when you have to wait for people?
6. Under what circumstances do you perceive time moving quickly?
7. On the other hand, time seems to move slowly when you are bored. But what do you find especially dull?
8. Which appointments/reservations are acceptable to be late for and which are not?
9. What’s your favorite way to kill time? Is it a waste of time?
10. Do you have sufficient time every day? What could you do to free up some more time?
