

Going through security

Role-play

Announcement: Please put your bags, electronic devices and metallic items in the screening bins. Don't forget to put all liquids in a clear plastic bag.

Security Officer: Excuse me, this water bottle is too large to take through security, I need to confiscate it.

Passenger: Oh, I'm very sorry. I will throw it away.

Security Officer: Not a problem. Please step through the scanner.

Scanner: *beep beep*

Security Officer: Do you have any coins or keys in your pocket?

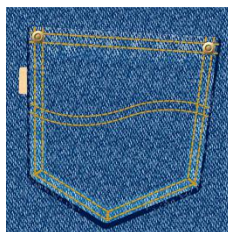

Passenger: Let me check. No, I don't.

Security Officer: Please remove your shoes and belt, put them in a screening bin and go through the scanner one more time.

Passenger: Of course.

Security Officer: Thank you, please retrieve your items from the screening bins.
