

School Trip

Our class will go to Vegetable Park on June second. We can look at farmers working there and also ask questions about the vegetables. We can learn a lot about their original Train Tomatos. We can buy them at a gift shop.

Please meet at the school gate at 9 a.m.

● We will take a bus together.

● Don' t bring your lunch.

(We will eat on the farm. They will serve us sandwiches.)

I hope everybody will come to the trip. However, if you are sick and can' t come, please call Mr. Brown at 888-7777.
