Do you think public places should have more events for children?

これが簡単に書ける解答例!まねをして書いてみよう! I don't think public places should have more events for children. First, when I was a child, I went to an event at a library. It didn't make me happy. Second, it takes a lot of time, but it is not worth it. If we want to learn, we can buy books. Therefore, I believe children are not interested in those events.
