

# A story of Yoitaro

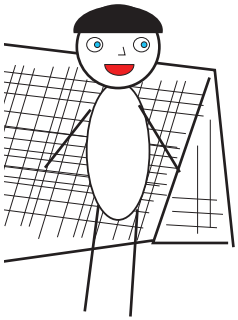

I am Yoitaro.  
Yoiko is my sister.  
She looks like me.

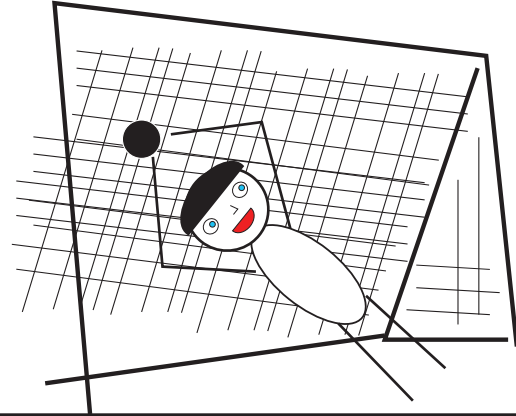

I like Ijiwaruko very much.  
I have been thinking about her since  
I met her.  
Why does she always have a bug?

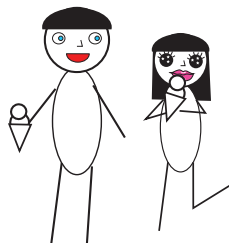

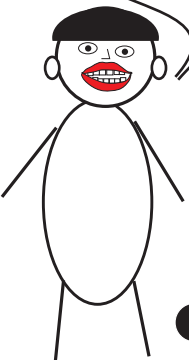

Last week, I played soccer with  
Ikementa, her boyfriend.  
I was nervous,  
because she was looking at us.

When I kicked the ball,  
he caught it. I was not cool.

I have to be good at soccer,  
so I will practice harder.
