

Escape room 1

Question 1: The Four Rooms

You are trapped in a castle with four rooms. You must choose one door to escape, but danger lies behind each one.

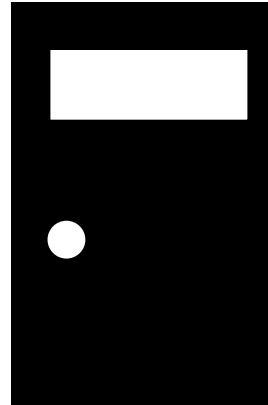

Room Q: Filled with a deadly gas that kills humans instantly.

Room R: A group of assassins with loaded guns are waiting for you.

Room S: A fierce lion that has not eaten anything for three years.

Room T: A raging fire that burns everything to ashes.

Which room is the safest choice for you to survive?

Question 2: The Missing Letter

Find the missing letter to complete the pattern.

M – T – W – T – F – S –

Hint: This is a very common cycle that you see every day.

Question 3: The Reverse Clock

I sound like one letter, but I am written with three.
I am read the same from left to right, and right to left.
You can find me on your face.

What am I?

Question 4: The Alphabet Order

What comes next in this sequence?

O, T, T, F, F, S, S, E, N,

Hint: Count something very basic in English.

Escape room 2

Question 5: The Eternal Inhabitant

I accompany you everywhere, yet I have no substance.
I lengthen in the morning and evening, but diminish to almost nothing at noon.
Light is my creator, but complete darkness is my extinction.

What am I?

Question 6: The Mysterious Sequence

Discover the rule and find the word.

Question 7: The Fragile Treasure

I am so delicate that if you mention my name, you will inevitably break me.
Only by remaining mute can you keep me safe.

What am I?

Question 8: The Contradictory Room

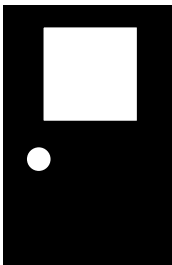

You enter a room that contains hazardous materials.
On the wall, there is a perplexing inscription:

"To exit, you must go through the door that has no horizontal or vertical lines."

There are three doors in front of you, each labeled with a specific geometric shape:

- Door U: A circle
- Door V: A triangle
- Door W: A square

Which door complies with the instruction?

Escape room 3

Let's combine the previous answers to create a word.

1 8 3 4 6 5 2 7
